

Product: Protecto Premium Enamel Paint

Protecto premium enamel is high gloss enamel paint. This paint is easy to clean and highly durable. It forms a tough high stain-resistant film that imparts smooth finish to surface painted.

Product Features:

Pack size

500 ml 1L 4L 20L

Colours Available

More than 20 shades

Coverage

95 to 110 sqft/L/2 coats

Pre-Painting Steps:

Cleaning

Sand the surface with Emery Paper no 180 & wipe clean. If the surface is pre-painted, remove all the old paint, loose particles and dust from the surface, wipe clean. Ensure that the surface is completely dry. Apply one coat of Wonder metal/wood /cement primer depending on the nature of surface.

Application Procedure:

Apply the first coat and allow to dry for 3 - 4 hours . Apply 2nd coat after complete drying of 1st coat. Paint may be thinned with good quality mineral turpentine oil for a consistency which is suitable for brushability.

Recommended tools for application:

Brush

Roller

Spray
